There are a number of manufacturers that offer equipment for flat towing. The most popular, and the one we've been using for 5 years, is Blue Ox. The first step is to obtain and install a baseplate, which connects your tow vehicle to the motorhome. A quick check of their web site (Blue Ox baseplates) yielded no baseplate for a 2017 Crosstrek. So I called the company and found that due to minor changes from 2016 to 2017 they cannot guarantee the existing baseplate would work with our new car.
