Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

### Dance Music Manual 2nd Edition

\* Updated second edition includes sections on recording instruments and new chapters covering more dance music genres. \* Examines all aspects of music production-from sound design, compression, and effects to mixing and mastering to publishing and promoting-to help you become a better producer.
