Madden 21 has given us the option to change the amount of X-Factors in the game and that should lead to more elite players as time goes on, but the main issue in the game is that the footballing world is simply filled with too many 75-80 rated players that can be picked up as free agents with no competition.

Madden 22 - Changes EA Sports must make to improve ...

So how do EA fix this? In my opinion there's only one way to do it and it actually already exists in another EA title, Madden. Madden a few years ago introduced 3 different game types (3 different gameplays) Arcade, Simulation and Competitive *In fifa terms*-Arcade - More longs shots go in, more over head kicks go in, scorpion kicks.
