**- The OT Toolbox**

Cursive actually activates regions of the brain involved in working memory. We teach cursive writing not because we love cursive but because we want our kiddos to love learning—and the ability to quick and legibly write is a good way to get there. We teach cursive not as an end in and of itself, but as a tool.

The argument for cursive is that it is a long-held tradition that teaches fine motor skills. One fascinating point that has been made in favor of teaching cursive is that the Constitution of the United States is written in English so perhaps people whose brains have been bogged down in typeface and fonts will not even be able to read the
