The 10x Rule Only Difference

The 10x rule is simply you will need to work 10x harder than you anticipate. Pick any chapter and it is going to tell you to work 10x harder than you think and you will be successful. Other than generic platitudes or stories how the author worked hard, there are no examples of what it means to work hard or how you will be successful.

Previously few years back 10x was applicable only for flights and hotel. There were no 10x for vouchers/amazon/flipkart. So considering people fly less ,instant voucher is great way to accumulate points. I have no complaints on that. But reducing flipkart and amazon 10x is a bit disappointing because max cap for dcb is also reduced to 7500.

a) Create 10X content. Google's job is to deliver the best result for the search query. To be the best result, you'll need high-quality content (after all, low-quality content is easy to beat in the SERPs.) Not only that, it has to be way better than everything else on that topic. In the marketing world, we call this " 10X content".
